

JASPER PLACE CURLING CLUB

16521 107 AVE • EDMONTON, AB • T5P 0Y1 • 780-489-6428

OCTOBER 28, 2024, VOLUME 25. ISSUE 2.

YOU ARE WELCOME HERE!

All leagues have now started. Unfortunately we have byes in the schedule on: Monday morning seniors, Friday afternoon triples and Friday Open. As well – I have a team that would like to join the Tuesday Open league – which will add a bye to the schedule.

If you know anyone that would like to curl at our club – please have them reach out to me by email at: cathy@jasperplacecurling.ca or telephone 780-489-6428 and I will do what I can to get their team in a league or them on a team – which will help us eliminate the byes.

WINE TASTING AND SMALL PLATE DINNER

The wine tasting and small plate dinner will return again on Saturday, November 16, 2024 starting at 6:00 pm. There will be an all new curated list of six wines and delicious small plate offerings. If you attended last year then you know how amazing it was, and if you missed last year, then mark your calendar for this year's event. Register online [here](#).

WEBSITE & ONLINE REGISTRATION

Online Registration has been a challenge for some

I am not sure why we had more than usual online registration issues. In some cases, if your device had saved your sign in credentials from last year – some pages have been moved and links have been changed and so those appeared broken. A fresh sign-in seemed to resolve most issues.

Additionally, the payment processor that we use changed their platform in September and wasn't always compatible with our website so many of the attempts to make a payment on the website were disrupted. We have resolved this by changing the payment processor.

If you continue to experience problems with the website – please reach out for help. The website is a great resource for everything going on at Jasper Place. Info on teams and curlers and how to contact them, schedules, subs, opportunities to sub for other teams and special events are all there.

FEES ARE NOW PAST DUE

All fees are now past due. If you have not paid in full and registered online, please do so as soon as possible. The online registration includes Curling Alberta data collection and fees as well as a waiver that is required by our insurance company for your participation. For this reason everyone is required to register online.

If you require time to pay – please contact Cathy at cathy@jasperplacecurling.ca to make arrangements.

DEFAULTED GAMES

If you have to default a game, please use team link email function on the website (member's home page – league info – teams, schedule, standings). Email your opposition AND please also send an email to cathy@jasperplacecurling.ca to let the club know that you will not be here.

RESULT ENTRY

Please remember to mark the draw sheet with a W-L-T and consider entering this result on the website so you can track the results regularly. The curling club will update results after every square – so for more up to date tracking – please enter your own results.

FUNDRAISING

Fundraising is critical to the operation of the curling club. All of the building improvements, maintenance, staffing etc are paid from the fees you pay, the fundraising we do, and a few small grants that are still available to us. This is NOT a City of Edmonton facility, it is funded entirely by you, the members.

We have the following opportunities for fundraising in the curling club, and we ask you to participate as fully as you are able:

Casino – we will have a casino sometime in April, May or June of 2025 and will need about 40 volunteers. When you see the sign-up sheet – please consider volunteering.

Engraved beer mugs, wine glasses or curling rock handles – we will engrave your first name on a beer mug or wine glass for use in the curling club for a donation of \$125 or more. We will engrave your full name on a curling rock handle for a donation of \$200 or more. And of course you are always welcome to make a donation of any size, without etching your name anywhere.

Garage Sale – We will once again hold a garage sale in the arena April 25-27, 2025. We would love your donation of your no longer required items. As well, we need an army of volunteers to prepare and then sell your great unwanted treasures. This event has raised almost \$15,000 in each of the last two years and has become an important fund raising event for us.
